***PLEASE NOTE RECEIPT OF THIS ADDENDUM ON YOUR BID***

***PER ADDENDUM 1, SEALED BIDS WILL BE RECEIVED UNTIL***  
***3:00 PM, Thursday, June 17, 2010,***

Item 1: Pre-bid meeting summary of discussion:

A mandatory pre-bid meeting was held on Thursday, May 27, 2010; the Pre-bid meeting sign-in sheet has been attached to this Addendum. Answers to questions and issues that were raised were included in Addendum 2. It was discussed that the responsibility for minority participation lies with the Owner in an informal bid; minority subcontractors were notified about the project, and given the web address for accessing General Contractor information. There will be no problems with parking, staging, work hours, etc; this will be addressed at the preconstruction meeting. As noted in Addendum 2, the water line that the Owner had put in at the area of the new trench will be removed by the Owner prior to the work. The question of required Insurance coverage was raised: see the General Conditions "Insurance" for Insurance requirements for this project.

Item 2: Sheet A2, detail 02/A2 and sheet A3, detail 06/A3- change concrete strength to 4000 psi.

Item 3: Drawing E1.1, Note 3 (also Bulletin #3, Addendum #2, Note 3): Change the size of the conduit to 2". Add to Note 3: "Provide new handhole with 12"x12" box (Quazite or equal) at grade."
